**Re: Wells G. & H. Superfund Site  
Olympia Nominee Trust Property  
60 Olympia Ave., Woburn, Massachusetts**

Dear Mr. Johnson:

As you know, this firm represents Olympia Nominee Trust ("Olympia"). I am in receipt of EPA's letter to Olympia, dated December 9, 2002 in which EPA invited Olympia to perform certain cleanup activities at the 60 Olympia Avenue, property. Please be advised that Olympia is willing to enter into negotiations to perform or finance the response activities outlined in EPA's December 9 letter. We look forward to meeting with you in January to discuss the proposed Administrative Order on Consent and the various technical approaches to conducting the cleanup activities.

Very truly yours,

David P. Rosenblatt
